## **Bohemian Golf Experience & Business Mission**

**17-20 October 2017, Czech Republic**

**Are you interested in expanding your business into Central Europe?  
Do you enjoy playing golf and want to explore a brand new golf resort?**

**Then expand your boundaries: experience a superb golf course  
and develop new business opportunities!**

## **Bohemian Golf Experience & Business Mission**

**17-20 October 2017, Czech Republic**

**You know it better than anybody else: doing business on a golf course works!  
Are you interested in exploring business in the Czech Republic, looking for a business partner or future customers? Or do you simply want to experience playing golf in another country and be open to expand your business network? The Bohemian Golf Experience & Business Mission is the right opportunity for you!**

### **Panorama Golf Resort**

The resort in the proximity of Prague offers top-class quality 27 holes, which can fully meet needs of the most demanding players. First nine holes intertwine adjacent forests, followed by nine holes located on extensive meadows completed with the third set of nine holes leading towards the river. All 27 holes offer an unusual diversity for players in a unique scenery of the picturesque Bohemian country side.

### **Explore new business opportunities**

Besides playing golf, for those who are interested we can prepare for you a busy business agenda: seminars and individual meetings with your potential Czech business partners or customers. Besides this, you will benefit from numerous opportunities to network with other participants from both the Netherlands and the Czech Republic. Moreover, representatives of the Czech Dutch Chamber of Commerce will be at your disposal to help with your specific business request.

## Experience with all your senses

**Playing golf is not only about the game. While you want to enjoy the game, work on your handicap and get the best score, you likely long for even more... What about playing in a beautiful country side, getting an impeccable service and after a good game relishing delicious dinner while expanding your network?**

### **When traditional meets modern**

Experience delicious traditional Czech cuisine with a modern approach. The Panorama Resort restaurant uses the best of regional ingredients, selected by the chef and supplied fresh from a nearby ecological farm. All dishes are prepared under the direction of chef Daniil Gorovoy, who has extensive experience from a number of renowned restaurants in the Czech Republic and who presented the best of Czech cuisine at Expo 2015 in Milan.

### **UNESCO Heritage site: The City of Kutna Hora**

This historical town, in the past called “the city of silver” due to its medieval silver mine, offers numerous architectural gems and invites for lovely walks in its picturesque streets. After a golf game, we will visit this UNESCO Heritage Site with a guided tour through its main sights.
